# The Plumber - Ο Υδραυλικός

Επί οχτώ ολόκληρα χρόνια απασχόλησε τη γερμανική αστυνομία. Ο πιο αιμοσταγής κατ' επανάληψη δολοφόνος με την ονομασία "Υδραυλικός" σκότωσε περισσότερες από είκοσι γυναίκες. Το κάθε του θύμα συμβόλιζε στο μυαλό του ένα διάσημο φόνου του παρελθόντος. Σάρον Τέιτ, Μαύρη Ντάλια, Νικόλ Σίμπσον και τόσα άλλα θύματα ξαναπήραν μορφή στα σώματα των ανυποψίαστων θυμάτων του. Οι έρευνες οδηγούσαν σε αδιέξοδα. Οχτώ χρόνια μετά τον πρώτο φόνου, ένα τυχαίο περιστατικό στην Ελλάδα θα οδηγήσει δύο μυστικούς γερμανούς αστυνομικούς στα ίχνη του διαβόητου κακοποιού...

## The Manson Murders - Helter Skelter

Around midnight on August 9, 1969, members of the Manson family invaded the Tate - Polanski household, killing all who were present. Voityck Frykowski was stabbed over 50 times, struck 13 times in the head with a blunt instrument, and shot. Abigail Folger, the coffee heiress, was killed.

The now 8 month pregnant Tate finished the evening for the Manson family, stabbing her repeatedly in the back, breast, neck, and womb.

Η ταινία είναι αστυνομικό θρίλερ, γυρισμένη στα γερμανικά, και αποτελεί μελέτη κάποιων εκ των πιο διάσημων φόνων όλων των εποχών. Μέσα από αληθινά ντοκουμέντα θα έρθουν στο φως στοιχεία που παραμένουν άγνωστα για το πλατύ κοινό. Οι ανατριχιαστικές λεπτομέρειες σε συνδυασμό με τις αναπαράστάσεις την τοποθετούν σε ιδιαίτερη θέση στο είδος της.

*For eight years he was the main search for german police. The most bloodthirsty serial killer with code name "Plumber" has murdered more than twenty women. Each victim was a copycat murder of a famous crime scene of the past. Sharon Tate, Black Dahlia, Nicole Simpson and many more famous cases were being recreated. The search led to no clues. Eight years after the first murder a fortuitous event in Greece will bring two secret german police officers on a secret mission for finding the vicious serial killer...*

*The movie is a thriller shot in german language, and is a study on the most famous crime scenes ever. With creepy reports and details from those scenes, this film belongs to the very special thrillers, trying to provide all the evidence that most people ignore.*

### *The O.J.Simpson Case*

*A quiet night in CA ... two people slashed and stabbed to death at the front entrance to a beautiful condominium in the upscale neighborhood of Brentwood. A dog "wailing" as he was roaming the neighborhood with blood matted on his underside fur and blood on his paws ... barking for someone, anyone to help his slain mistress. Two small children laying in their beds asleep with no idea of the horrible murder scene at their front gate, and the neighborhood going about their normal business with no knowledge of the evil taking place in their quiet world that Sunday night. This is the scene that eventually erupted into the "Trial of The Century" the trial of OJ Simpson for the murders of his ex-wife and her friend.*

*Beautiful Nicole's blood-splattered body bears grim evidence of the brutality of the murder. The thick black hair covers a gash wound in her throat*

### *The Black Dahlia Mystery*

*For almost 60 years, the Black Dahlia mystery has haunted Los Angeles. On 15 January 1947, the body of 22-year-old Elizabeth Short was found. Short was an attractive, young girl who had arrived in Los Angeles searching for fame as an actress, just as thousands of others do every year. Her demise was to be one of the most gruesome murders America had ever seen.*
